A LETTER OF VISION

Dear Partners, School Heads, and Faculty Members,

As we embark on yet another exciting journey of learning and growth in the new Academic Year, it gives me great pleasure to connect with all of you through our annual newsletter.

As per our commitment to fostering innovation and creativity, I am delighted to share our recent achievements in several new programmes introduced last year to enhance not only the academic learning experience but also to inculcate 21st-century skills. This is evident from our STEAM and EdTech initiatives to community outreach projects. The entire 'THE EDUCATORS' team is grateful to each and every one of you for making these endeavours a huge success. Together, we believe we can achieve our goal to nurture well-rounded individuals who are future-ready.

Furthermore, this year we are pleased to inform you that, based on your feedback, we have successfully developed bespoke professional development modules focused on the latest pedagogical practices and subject specialisation. The extraordinary number of 600+ professional development trainings achieved this year is a testament to how well they were received by 18,000+ participants. This has been a phenomenal success story for 'THE EDUCATORS'.

We are thrilled to unveil our ground-breaking initiative, the School Management Manual, meticulously crafted to establish unparalleled standards of excellence and operational consistency across our educational institutions. This comprehensive guide incorporates the finest best practices from our partners, educators and school heads, ensuring a seamless approach to managing and enhancing educational delivery. By fostering uniformity and efficiency, this initiative aims to elevate our educational standards to unprecedented heights, setting a new benchmark in academic excellence within the entire network.

'THE EDUCATORS' has made significant strides in enhancing the learning environment through various initiatives. Last year, we wanted to highlight and celebrate the enormous contribution made by our teaching faculty. Hence, the first ever 'THE EDUCATORS' Conference (TEC-1) was organised to provide them with an opportunity to engage with and learn from the thought leaders of the educational fraternity.

The success of TEC-1 paved the way for our much-awaited TEC-2 which we are planning on holding it in Multan. Similarly, based on the overwhelming response and success of our Practitioner Enrichment and Leadership programme (PEAL), on the behest of our partners, this year we offered a modified version Leadership Enrichment and Development Programme (LEAD) in collaboration with BNU.

In line with the latest educational trends of technology integration, project 'Aghaaz', in collaboration with the Tech Valley Pakistan and Google for Education, was piloted at TE. Based on the outcome of the project, we will be scaling-up the project in other schools. Furthermore, Quizilla Pro and 'THE EDUCATORS' Gradebook were introduced which offer cutting-edge digital solutions to the classroom practitioners.

We are delighted to offer a new Post Contract Consultancy Brief (PCCB), which aims to standardise branding and facilities across 'THE EDUCATORS' schools, fostering a cohesive and inspiring learning environment.

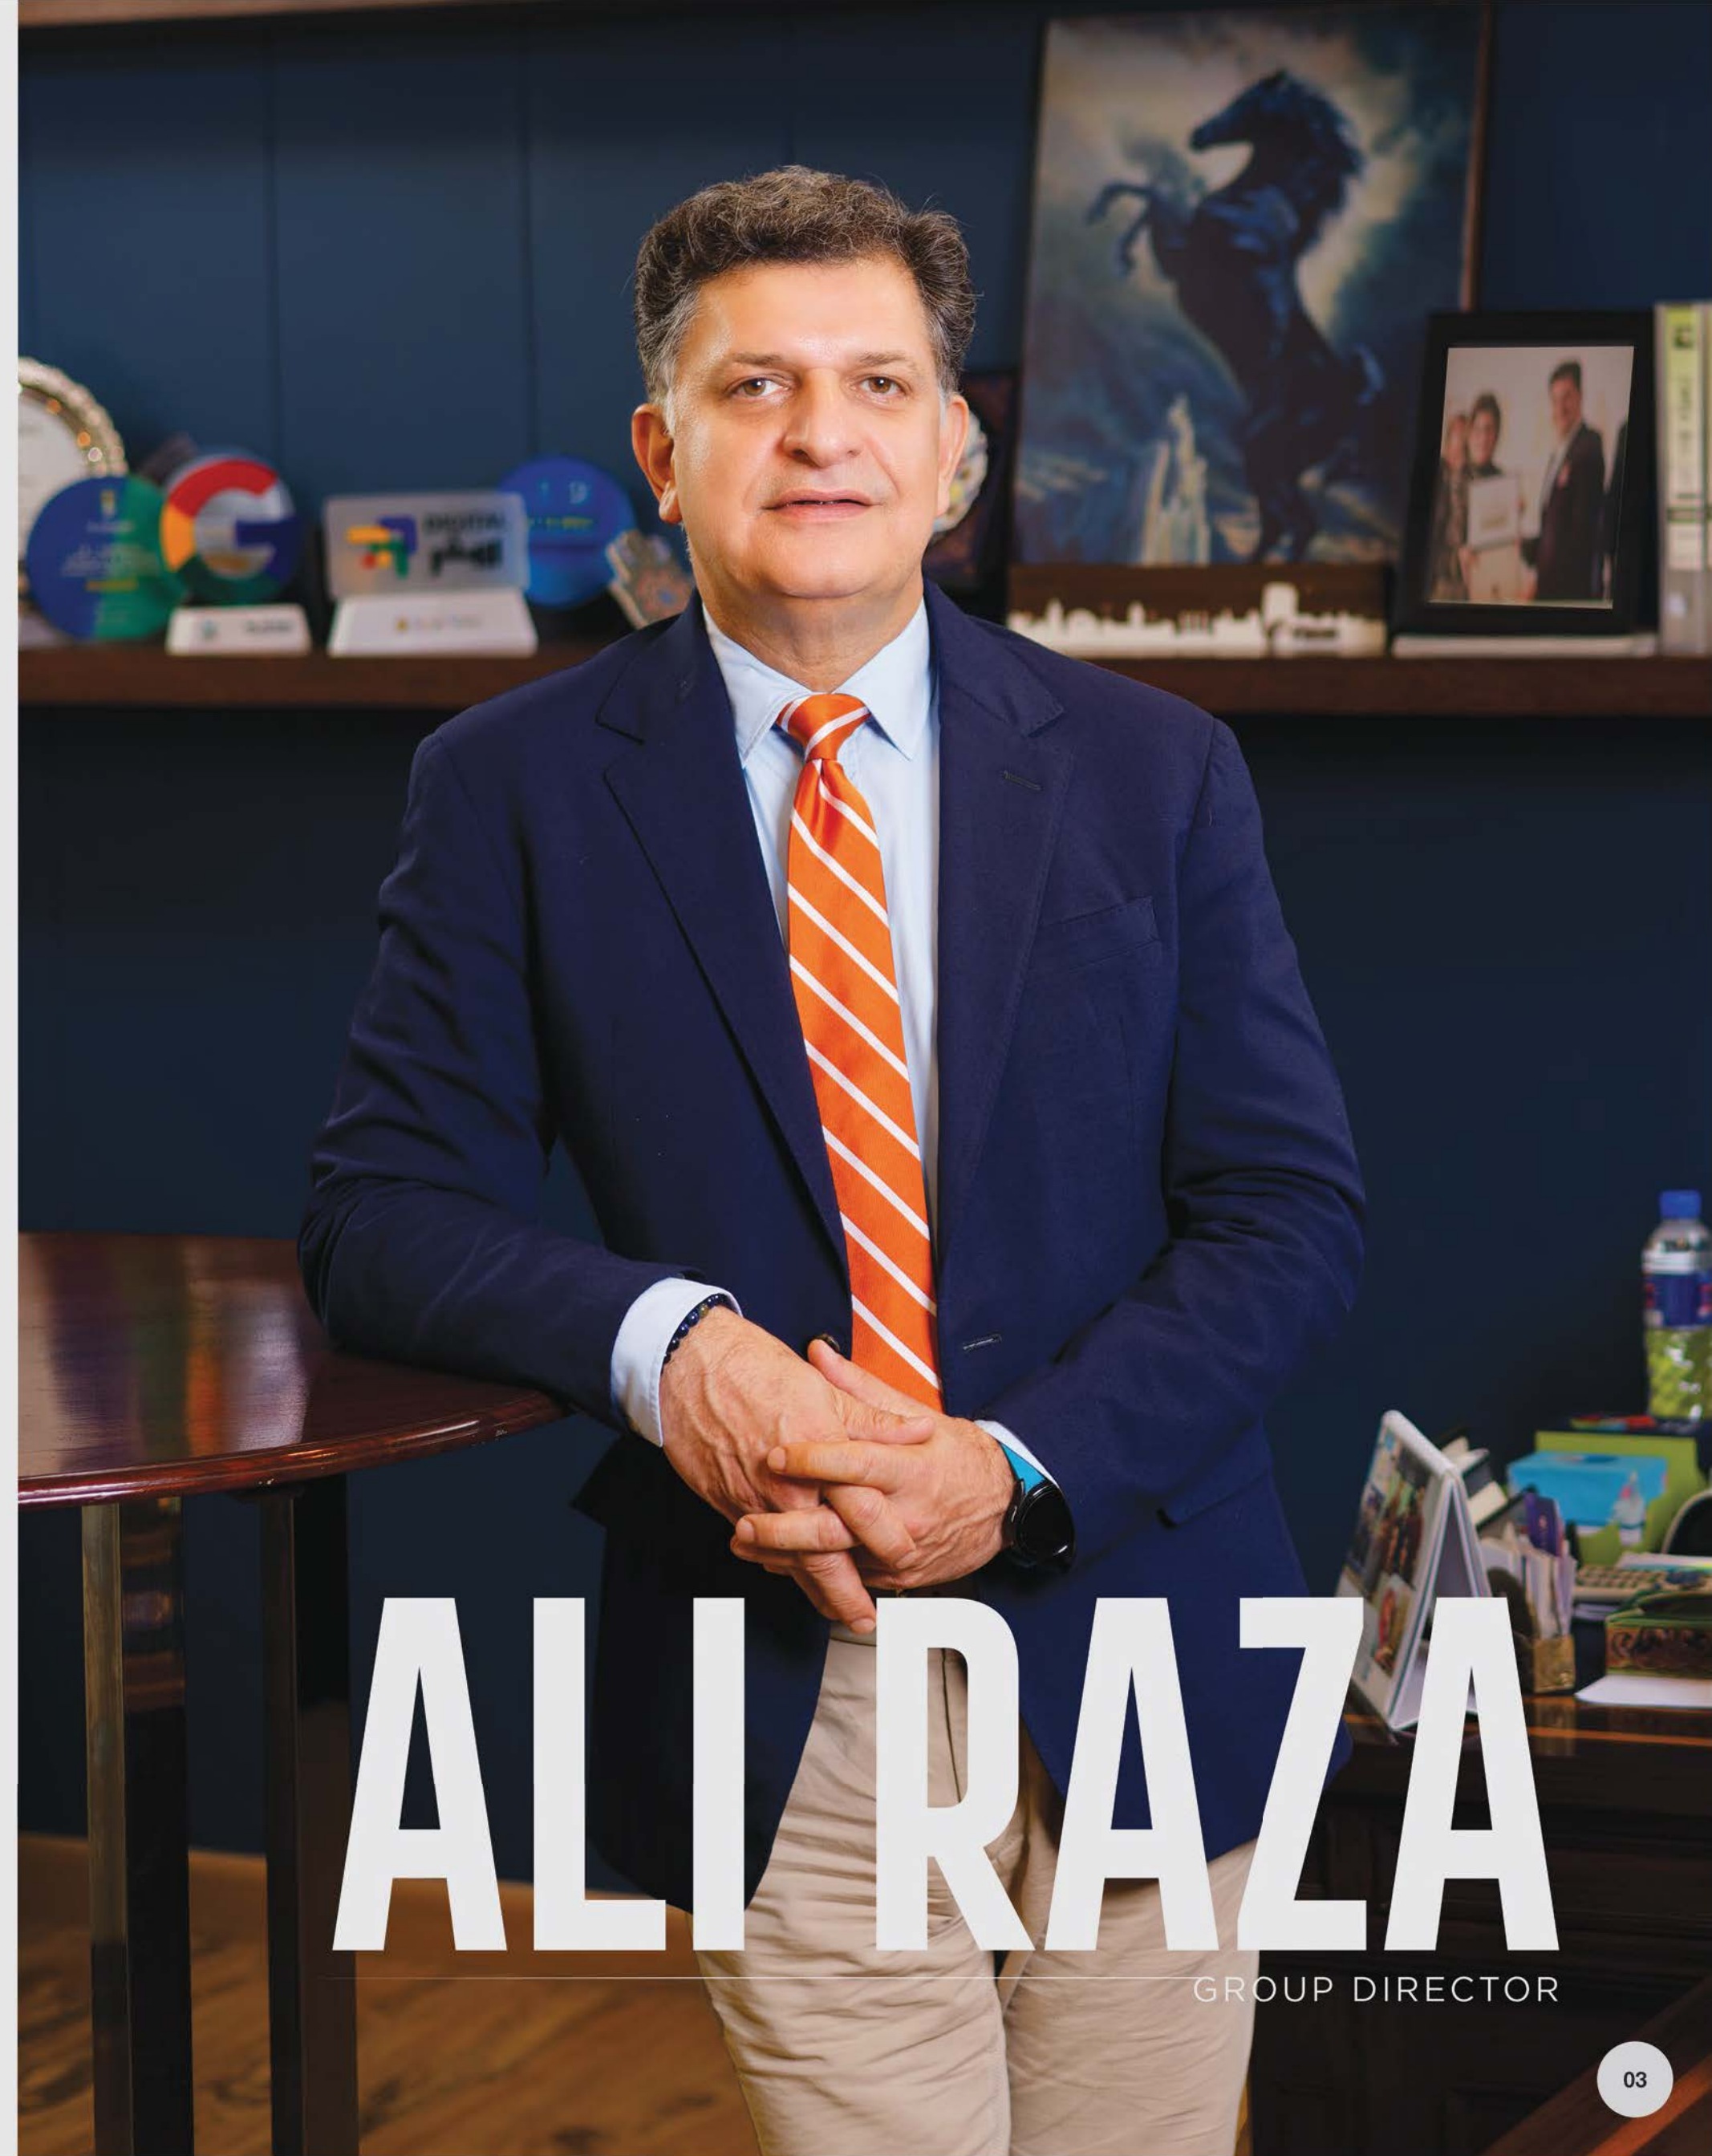

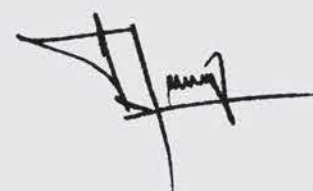

As part of our Corporate Social Responsibility (CSR), we are proud to partner with various not-for-profit organisations working in the field of education such as Pehli Kiran, Humaira Riaz and Akhuwat Jugnu where we extend our support to the school leadership and its faculty for improving and strengthening their academic systems.

I would like to thank the entire 'THE EDUCATORS' team including Academic for raising the academic quality standards, Business Development for their unwavering support extended to the schools, Marketing for bolstering our brand visibility and partnership support and Finance for providing timely support to operations at the head and regional offices. All the aforementioned achievements would not have been possible without the all-out support and commitment of each of the team members.

I would also take this opportunity to introduce Ms. Fauzia Adnan, who has joined 'THE EDUCATORS', Head Office as our new Head of Academics. She is not only a seasoned educationist with a diverse academic background spreading over 22 years. Over the course of her career, she has held significant leadership roles in esteemed institutions such as Beaconhouse, The City School, LGS, LACAS, and Fazaia Schools. Her extensive experience promises to play a crucial role in advancing our pursuit of educational excellence. Please join me in welcoming her in this pivotal role.

I extend my sincere gratitude to our teachers, School heads and partners for their invaluable support. Your involvement in 'THE EDUCATORS' strengthens our efforts and enhances the educational experience for all our students. I am filled with optimism and excitement for the possibilities that lie ahead. Together, we will continue to uphold our values of integrity, inclusivity, and excellence in everything we do. With your continued support and dedication, I am confident that we will achieve new milestones and empower our students to become compassionate leaders and lifelong learners.

Sincerely,

ALI RAZA

GROUP DIRECTOR

Dear Business Partners,

As we reflect on our journey together, I am delighted to share the remarkable progress and achievements we have made over the past year, thanks to your unwavering dedication and support. Since the COVID-19 pandemic, our student count has increased by over 25%, reaching a total of 225,000+ students enrolled in 1,000+ campuses across 275+ cities. This growth is a testament to our business partners' tireless efforts in maintaining 'THE EDUCATORS' exceptional quality and reputation. We extend our deepest gratitude for your instrumental role in this success.

At our 5th International Conference we recognised 50+ of our top-performing business partners with an international trip to South Africa in June 2024, celebrating their dedication and outstanding contributions. This trip not only acknowledges their achievements but also serves as a reminder of the positive impact we can make together in our future endeavours.

The 10th Annual Way Forward Conference provided a vital platform to connect with our esteemed business partners across all regions. This conference, combined with our extensive field visits, enabled us to gather invaluable feedback and develop mutually beneficial strategies for continued success.

We also optimised book delivery timelines to ensure availability of books by mid-February, providing campuses ample time to prepare before the academic session begins. We have also introduced additional and extensive training modules as part of our focus on training and school development support programmes.

To enhance our Marketing efforts, we have streamlined processes for regional and campus-level event coverage and launched our board position holders marketing campaign promptly after the Matriculation Result announcement, setting another industry-leading example in the education sector. We have expanded the scope of our high achievers' ceremony to recognise more top students from each region and include awards for teachers in appreciation of their unwavering efforts.

Last year, we revised the pre-school uniform, and we are now updating the uniforms for school-level boys and girls for the first time in two decades.

As we look to the future, our focus remains on both growth and sustainability. We are committed to expanding the number of campuses across cities to reach more students and communities while providing additional support to struggling campuses in areas such as academics, operations, and marketing to ensure their success and sustainability.

I sincerely appreciate the invaluable support from the Head Office and Regional teams, whose guidance has been crucial in achieving our business objectives. Thank you once again for your continued support and partnership. Together, we look forward to achieving even greater milestones in the coming year.

Sincerely,

As I step into the role of Head of Academics for 'THE EDUCATORS', it is both an honour and a pleasure to connect with you through our annual newsletter. I am thrilled to be part of 'THE EDUCATORS' team during such a dynamic period of growth and transformation in our academic community.

I have been truly impressed by the trend of innovation demonstrated in 'THE EDUCATORS' academic interventions. Initiatives such as Hijon Kay Jugnu, the STEAM Implementation Programme, Act to Impact, Save Our Stars, and I Am An Entrepreneur have been shining examples of how we are empowering our students with creativity, leadership and entrepreneurial skills. The success of these programmes is evident in the remarkable engagement and enthusiasm they have garnered among our students, helping them grow into well-rounded individuals ready to face the challenges of the 21st century.

Our collective efforts have not only driven innovation but have also translated into tangible academic successes. I am particularly proud to highlight the outstanding matriculation results achieved by our students. Year after year, our students have achieved remarkable success in their exams, showcasing their hard work and our effective teaching methods. Furthermore, to provide our students with the best exam-handling techniques, we are working towards providing a student version of Quizilla Pro, which will assist secondary students in improving their results further. This consistent endeavour to improve highlights the quality of education we provide and the dedication of our entire team.

In addition to our students' achievements, the commitment to professional development among our educators is commendable. We have conducted numerous teacher training sessions and events like TEC-1, which have equipped our educators with the latest pedagogical techniques and subject expertise. Building on this momentum, I am pleased to announce that, based on your feedback and the success of Maximize and Specialise, this year we are planning to introduce more bespoke modules and offer them through 50 easy-to-access learning pathways. We hope that this evolution of training will help us empower teachers to select their preferred learning pathways, preparing them with a wide array of pedagogical resources and skill sets.

As we continue to navigate the demands of the current era, it is clear that we are in the midst of a technological revolution. Hence, this change is not just a choice but a necessity. Looking ahead, my vision is to ensure that 'THE EDUCATORS' remains at the forefront of educational innovation. We must continue to incorporate new technologies and teaching methodologies that prepare our students for the rapidly changing world. I am very optimistic that, together, we can continue to push the boundaries of what is possible in education.

I look forward to the journey ahead and achieving even greater successes with your continued support.

Sincerely,

TRAINING – THE ENGINE THAT DRIVES US FORWARD

Leadership Enrichment and Development (LEAD) Programme

'THE EDUCATORS', in collaboration with Beaconhouse National University (BNU), proudly introduces the Leadership Enrichment and Development (LEAD) Programme.

Transformative leadership training sessions were conducted at BNU, Lahore and Pakistan Society for Training & Development (PSTD), Karachi. These sessions empowered esteemed Business Partners, School Heads, and Educational Leaders with valuable insights into instructional leadership. Participants were guided in creating compelling mission and vision statements, identifying their competitors, and using this information to develop strong school plans.

The training focused on fostering a positive school climate and community engagement, providing practical strategies to improve their educational environments. The session was a great success, inspiring attendees to implement innovative approaches in their schools.

PROFESSIONAL DEVELOPMENT WORKSHOP

'THE EDUCATORS' partnered with the Kashf Foundation to host an impactful professional development workshop tailored for women in leadership positions at 'THE EDUCATORS', Concordia Colleges, and Beaconhouse Head Office. This initiative aimed to cultivate high-potential female leaders by equipping them with the mindset and soft skills essential for career progression. The workshop was led by esteemed Ms. Roshaneh Zafar, founder of Kashf Foundation, alongside Ms. Nicole Issacs, Manager Learning and Development. Key topics covered included Women in Leadership, Gender Sensitisation, and Unconscious Bias. Moreover, the sessions delved into the everyday challenges women encounter in the workplace and addressed issues related to gender disparity. This collaboration underscores our commitment to fostering an inclusive and empowering environment for women leaders, ensuring they have the tools and confidence needed to excel in their professional journeys.

SPECIALISE 2024

'THE EDUCATORS' is committed to fostering a faculty of subject matter experts. The Specialise training programme focuses the latest pedagogical approaches, methodologies, and teaching techniques specific to subject area. This targeted learning ensures participants gain in-depth subject knowledge and acquire the skillsets necessary to deliver engaging and effective instruction.

The programme's initial phase saw tremendous success. During April and May 2024, the Head Office team conducted 20 successful sessions across all regions, reaching over 700 teachers. Building upon this momentum, 'THE EDUCATORS' has partnered with Beaconhouse to bring their master trainers onboard. This collaboration will further enrich the Specialise training programme by providing our dedicated teachers with access to diverse perspectives.

MAXIMIZE 2024

‘THE EDUCATORS’ is firmly committed to fostering a culture of continuous professional development among our faculty. This year, we significantly expanded our free training offerings to equip educators with the latest best practices in teaching. To cater to diverse learning needs, we restructured the MAXIMIZE programme into two distinct tiers; Baseline Training: From Scratch to Success - This programme equips new and developing educators with the foundational skills necessary to confidently lead their classrooms and deliver effective lessons on a daily basis. Advanced Training: Building Mastery and Pedagogical Proficiency - This programme caters to experienced educators by fostering critical thinking skills, introducing innovative teaching methods, and equipping them with practical strategies for engaging students in complex learning and boosting problem-solving abilities. The MAXIMIZE programme has seen tremendous success. Over 500 training sessions were conducted across all regions, reaching and empowering over 10,000 participants. This widespread participation reflects our dedication to providing educators with the necessary tools for continuous improvement and ultimately, student success.

TRAIN THE TRAINER: SHARPENING THE SKILLS

At ‘THE EDUCATORS’, we believe in creating opportunities for continuing professional development. At the heart of our organisation's success are the dedicated individuals who drive academic achievement and relationship-building every day.

This year, ‘THE EDUCATORS’ organised a retreat that brought the entire organisation together at a scenic location. Head Office and Regional Teams from across Pakistan immersed themselves in a series of engaging workshops led by industry experts; networking opportunities were provided; connections with colleagues from across the company were made and participants engaged in exciting team-building activities and problem-solving. Teams savoured delicious cuisine and celebrated achievements at musical evenings punctuated with impromptu singing sessions.

‘THE EDUCATORS’ arranged this unique rendezvous for the Academics Head Office and Regional teams at the Shangrila Resort, Murree. The teams came together for an enriching and invigorating experience that enhanced the way we work and collaborate. ‘Train the Trainer: Sharpening the Skills’ for the Academics Teams proved to be one of the events of the year!

SECONDARY SUBJECT-BASED TEACHERS TRAINING

The Head Office Academics Team has initiated a comprehensive Secondary Subject-based Teachers Training (SSBTs) programme for 2024, starting with the Central Region. This initiative aims to enhance secondary school teachers' teaching skills and subject knowledge across all regions. The secondary team has guided over 4,500+ students and has trained more than 3,800+ secondary teachers through campus support visits to over 59+ campuses, as well as through online and face-to-face sessions

In the first phase, we successfully conducted training sessions for Pakistan Studies, Urdu, English, Islamic Studies & Tarjamah tul Quran, Biology, and Computer Science teachers. These sessions were led by outsourced seasoned board experts and textbook board trainers who effectively transferred their skills and knowledge to the participants. The sessions covered a wide range of topics, including:

- Updates and recent developments on curriculum changes.
- Recent board trends.
- Paper development and effective marking strategies.
- Effective subject teaching at the secondary grades.

These sessions received an overwhelming response, reflecting the enthusiasm and commitment of our educators. Teachers from various parts of Punjab, including remote areas, actively participated, making the sessions highly interactive and productive.

The next phases of the SSBTs programme are planned to extend these training opportunities to teachers in all the regions. Our goal is to ensure that every secondary school teacher, regardless of their location, has access to high-quality professional development.

Positive Impact

Feedback from the participants has been extremely positive. Teachers appreciated the well-structured sessions, the quality of the training materials, and the opportunity to collaborate and share best practices with their peers. The success of the initial phase is a testament to the dedication of our educators and the importance of continuous professional development.

We look forward to rolling out the next phases and continuing to support our teachers in their professional growth, ultimately enhancing the quality of education for our students.

INTERVENTIONS

REGIONAL ART CONTEST

How 'THE EDUCATORS' Unleashed Young Artistic Talent In each Region

The dream of a young artist is to see their work recognised and appreciated. 'THE EDUCATORS' "Regional Art Contest" provided exactly that platform, igniting a passion for creativity across the country.

Launched in the 2023-24 academic year (piloted in the North Region in 2022), the contest provided a regional platform for young artists to shine. Students from all corners of Pakistan participated, bringing their unique artistic perspectives to the competition.

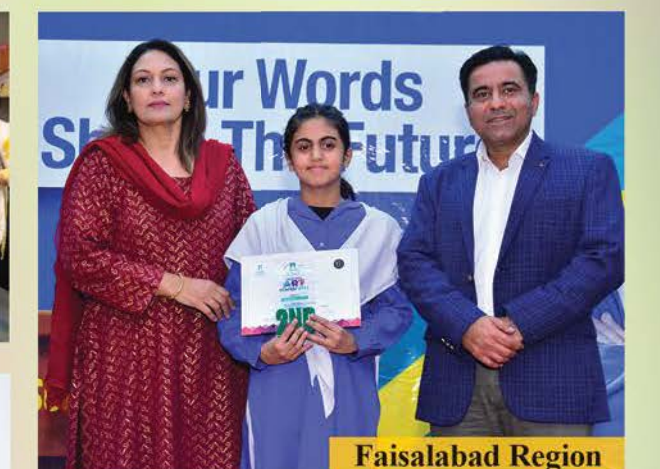

The contest offered two exciting categories that sparked students' imaginations:

- "Inventions of the Future" (Ages 6-10)
- "Enriching Lives through Diversity and Inclusion" (Ages 11-15)

The artwork along with artist statements received were truly impressive, showcasing a remarkable range of styles and techniques. From fantastical inventions to heart-warming depictions of diversity, each piece reflected the student's unique vision.

Recognition Beyond Region

The top entries from each region were displayed at 'THE EDUCATORS' Conference (TEC-1) held in Lahore. This prestigious event provided a national platform for these talented young artists, allowing them to share their work with a wider audience. We at 'THE EDUCATORS' are incredibly proud of our students' achievements, and we look forward to seeing how this programme continues to empower young artists and shape the future of Pakistani art.

I AM AN ENTREPRENEUR

'THE EDUCATORS' also introduced an amazing academic intervention "I am an Entrepreneur," designed specifically for students in classes 7 and 8 across all regions of Pakistan.

WHAT IS IT ALL ABOUT?

"I am an Entrepreneur" aims to ignite the entrepreneurial spirit in young students, guiding them from idea generation to business planning. This comprehensive program nurtures and develops their business acumen.

To inspire young minds, 'THE EDUCATORS' conducted interviews with [successful young entrepreneurs](#). These interviews were published on social media and embedded in the student resource packs, offering real-life insights and motivation.

FEATURED ENTREPRENEURS

ZAINAB SHAFIQUE

One of the youngest entrepreneurs in Pakistan, she started her online shop selling handmade chocolates at the age of 14.

HAMZA MOHAMMAD SYED

A British-Pakistani young entrepreneur who returned to Pakistan to establish an international-level football academy.

ADAN KAMRAN

A 16-year-old tech genius and co-founder of CyberPak.

"I am an Entrepreneur" is not just a programme; it is a movement to empower the next generation of Pakistani entrepreneurs. 'THE EDUCATORS' is committed to fostering a culture of innovation and entrepreneurship, preparing students for a dynamic and competitive future. Stay tuned for more updates and success stories from this inspiring initiative!

ہجوں کے جگنو

طلبہ کی مجموعی صلاحیتوں کو نکھارتے ہوئے انھیں پروان چڑھانادی ایجوکیٹرز کی اولین ترجیحات میں شامل ہے۔ اس سلسلے میں دی ایجوکیٹرز کی جانب سے متعدد ایسے پروگرام متعارف کروائے گئے ہیں جو طلبہ کی سیکھنے کی صلاحیتوں کو بہتر بناتے ہوئے انھیں تعلیمی میدان میں مسلسل آگے بڑھنے کے مواقع فراہم کر رہے ہیں۔ ”ہجوں کے جگنو“ بھی اسی سلسلے کی ایک کڑی ہے۔

عام مشاہدہ ہے کہ انگریزی کی نسبت اردو الفاظ میں طلبہ کو حروف کے توڑ جوڑ میں مشکل کا سامنا ہوتا ہے، جس کی بنا پر اکثر املا کی اغلاط اور محدود ذخیرہ الفاظ جیسے مسائل کا سامنا کرنا پڑتا ہے۔ یہی مسائل طلبہ کی اردو بولنے، پڑھنے اور لکھنے کی صلاحیتوں پر اثر انداز ہوتے ہوئے اپنے اثرات چھوڑتے ہیں۔ یکساں قومی نصاب کے نفاذ کے بعد اردو کی اہمیت کو پیش نظر رکھتے ہوئے ان مسائل کے تدارک کے لیے ”ہجوں کے جگنو“ کا آغاز کیا گیا۔ اس پروگرام کا مقصد طلبہ میں ہجوں سے الفاظ بنانے کی مشق کو پختہ بنانا، اردو ذخیرہ الفاظ میں اضافہ کرنا اور اردو پڑھنے اور لکھنے کی بنیادوں کو استحکام بخشنے

ہوئے انھیں تعلیمی میدان میں معاونت فراہم کرنا ہے۔ تعلیمی سال 2023 میں 237 سکولوں سے کے جی، جماعت اول اور دوم کے 25,215 طلبہ نے ”ہجوں کے جگنو“ کے مقابلے میں حصہ لیا اور شاندار کارکردگی کا مظاہرہ کیا۔ اساتذہ کے بہترین فیڈبیک اور طلبہ میں اس پروگرام کی افادیت کو مد نظر رکھتے ہوئے، تعلیمی سال 2024 میں اس کا دائرہ کار جماعت سوم تک وسیع کیا گیا ہے۔

STEAM IMPLEMENTATION PROGRAMME

‘THE EDUCATORS’ STEAM PROGRAMME:

**CULTIVATING CHAMPIONS ON
THE GLOBAL STAGE!** ‘THE EDUCATORS’ story
with STEAM education is one of remarkable success!

FROM NATIONAL RECOGNITION TO GLOBAL GLORY:

In the academic year 2022-23, our students not only excelled in online competitions but also gained recognition for cultivating crucial 21st-century skills like problem-solving. This past year (2023-24), they truly outshone themselves. They not only dominated the national round but also garnered international acclaim from prestigious organisations like krya.id and the Global School Programme.

A STORY OF CONTINUED TRIUMPH:

Four outstanding student teams were awarded scholarships to participate in the prestigious International Creativity and Innovation Award 2024. On the global stage, they displayed exceptional talent, securing an impressive haul of awards:

- 3 Silver Awards
- 1 Gold Award
- Special Award for Most Promising Solution

‘THE EDUCATORS’ family is incredibly proud of our students’ remarkable achievements. These awards are a testament to their dedication, creativity, and the transformative power of our STEAM programme.

THE FUTURE IS BRIGHT:

We are confident that ‘THE EDUCATORS’ STEAM Implementation Programme will continue to empower students and make a lasting impact in the years to come.

'THE EDUCATORS' & BNU PRESENT

LEAD

LEADERSHIP
ENRICHMENT
AND DEVELOPMENT

'THE EDUCATORS' is committed to delivering exceptional education that positively impacts our students, community, and nation. Building upon the success of our previous leadership development initiative, we are excited to introduce the LEAD programme in collaboration with BNU.

LEAD focuses on several key areas:

- Instructional Leadership: Enhancing student outcomes through targeted interventions for school improvement.
- Vision, Mission, and Objectives: Defining a compelling vision, crafting a clear mission, and translating them into actionable objectives for growth.
- Competitors' Analysis: Using data gathered from shared templates to identify strengths and implement positive changes.
- School Climate: Cultivating a positive, inclusive environment that fosters a sense of belonging and prioritises safety for students, staff, and families.
- Community Engagement and School Connectivity: Leveraging community engagement to boost the school environment, attract new admissions, and utilise broader community resources.

Designed specifically for our school leaders, LEAD aims to equip them with the skills and knowledge necessary to drive transformative change within their schools. By empowering our leaders, we are confident in our ability to achieve sustained success for our students and the entire 'THE EDUCATORS' community.

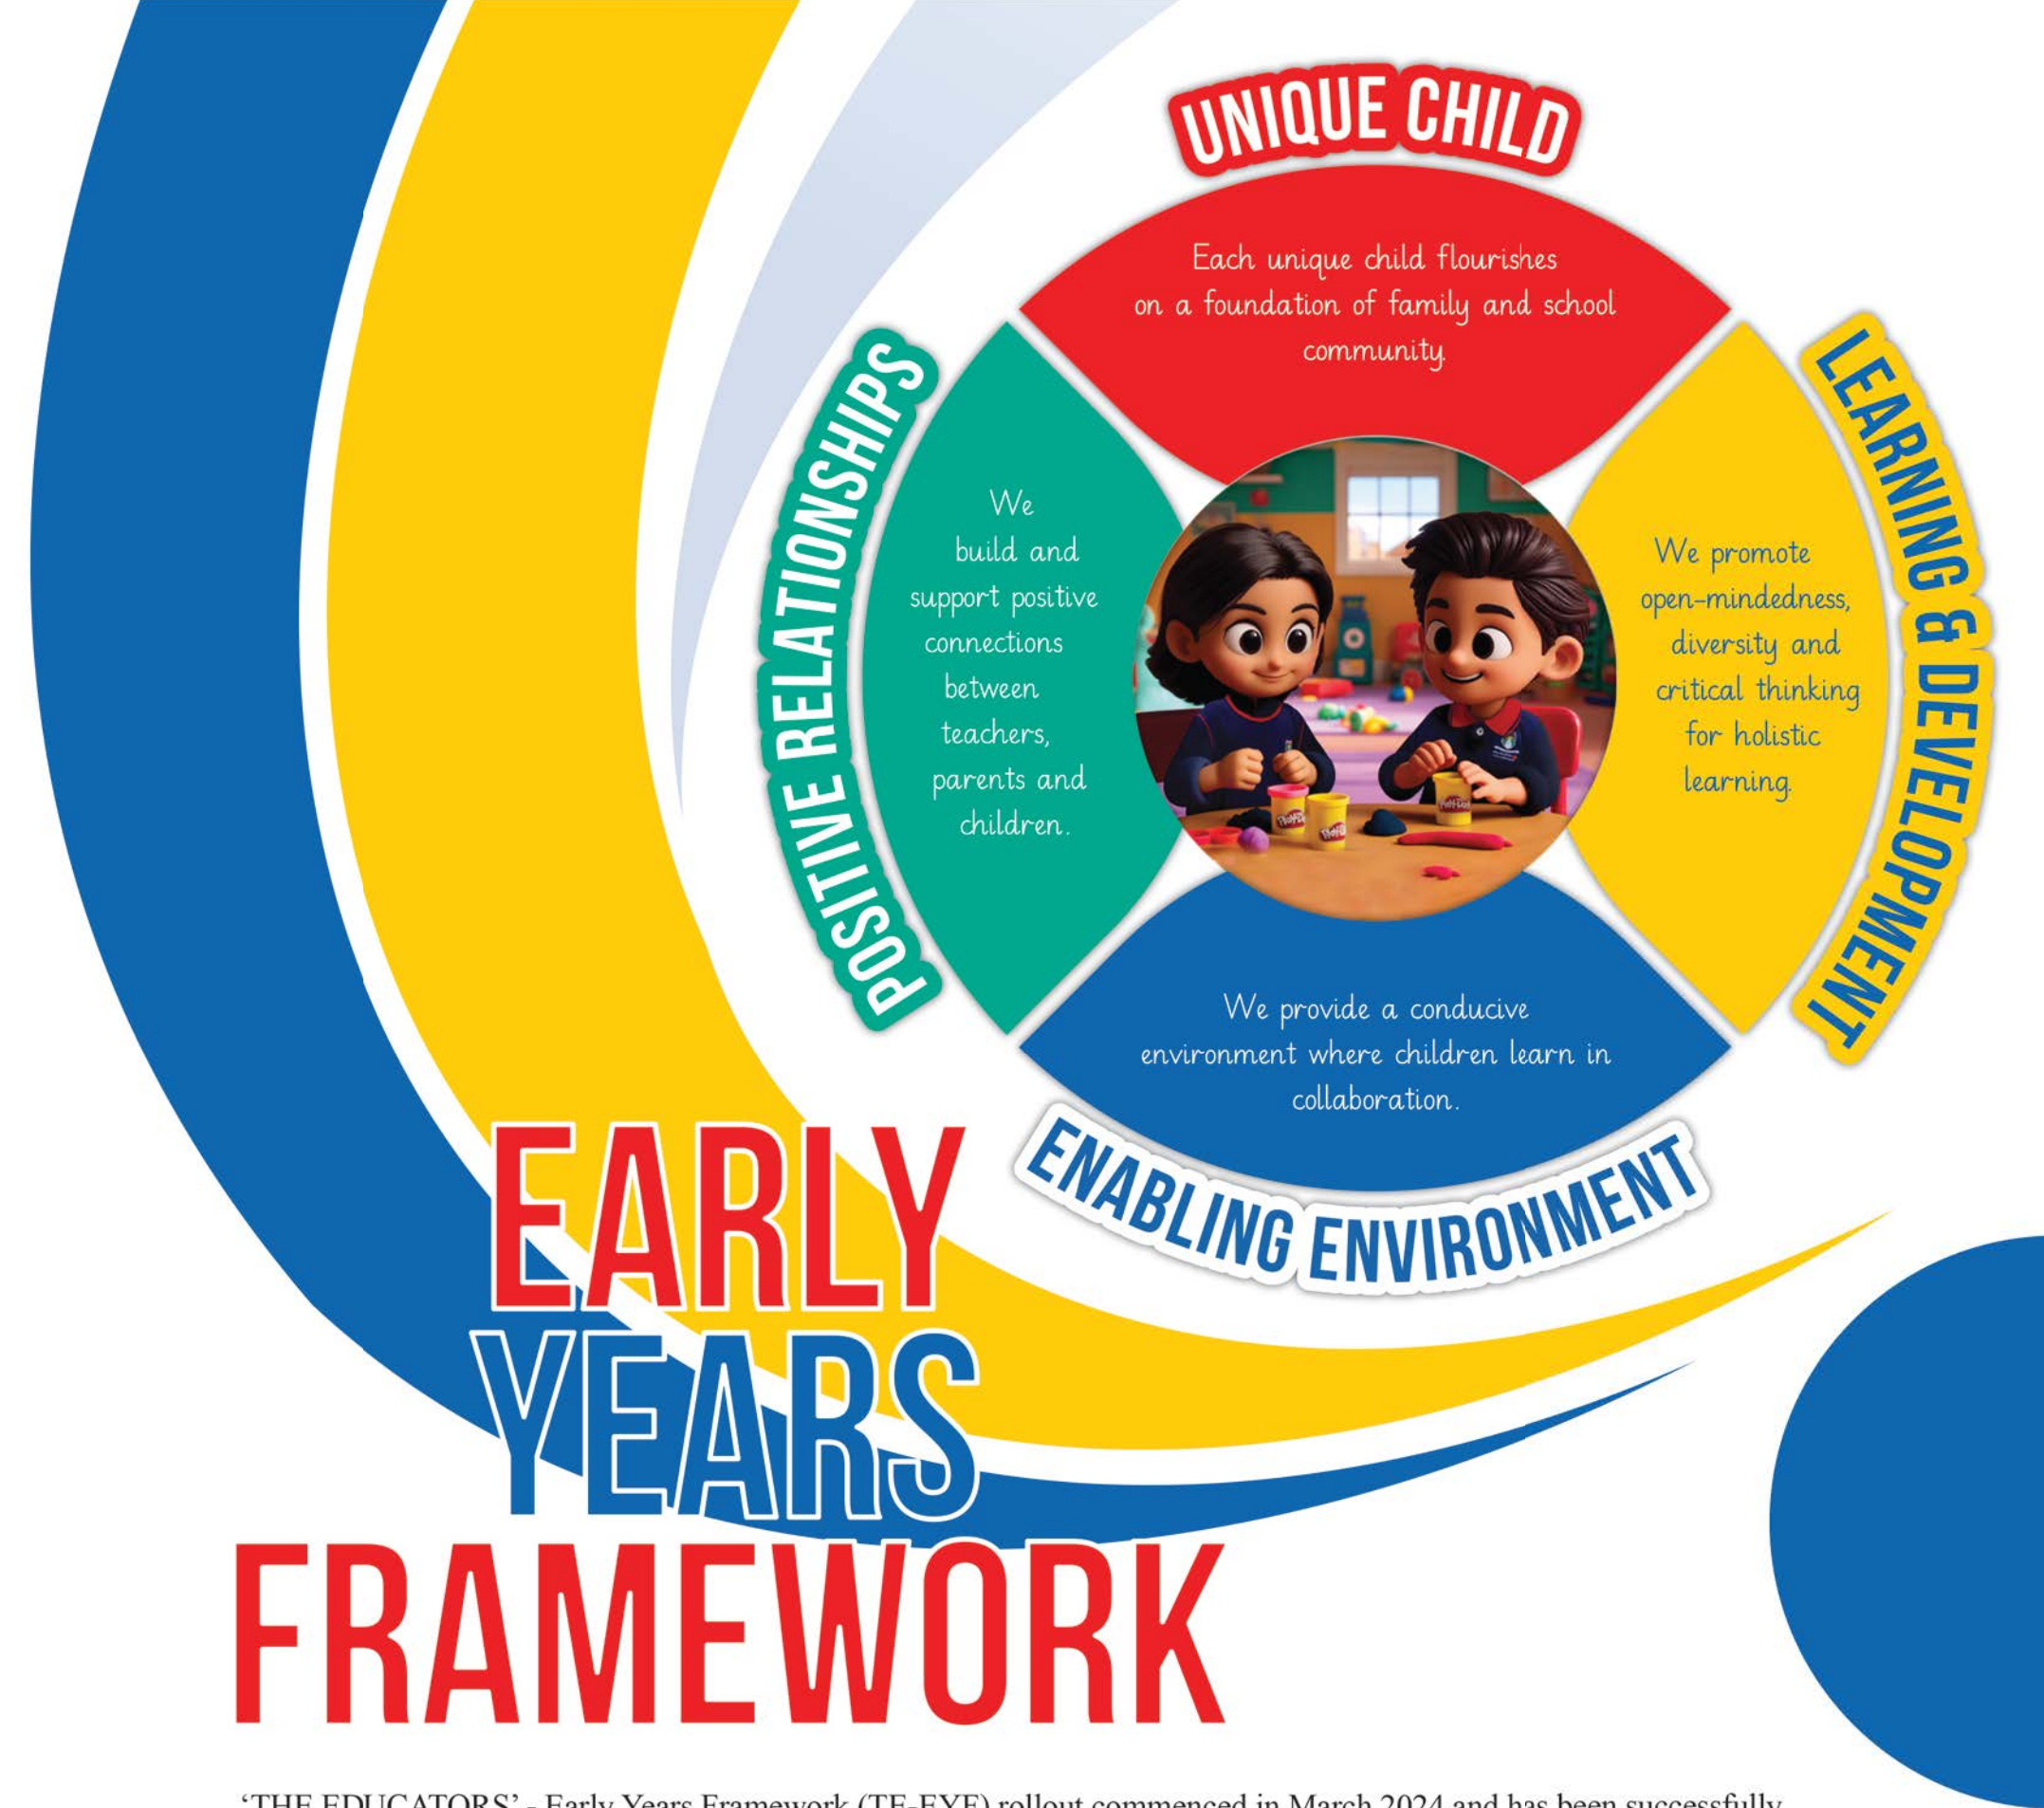

EARLY YEARS FRAMEWORK

'THE EDUCATORS' - Early Years Framework (TE-EYF) rollout commenced in March 2024 and has been successfully implemented across all Preschools (PG - KG) and schools (Class I - II).

To support teachers in effectively implementing TE-EYF, a comprehensive support programme has been established. This programme includes: Online support sessions to provide teachers with opportunities to learn about the framework, ask questions and share best practices; Model teaching videos to showcase effective implementation strategies for various TE-EYF components; Support visits by Regional and Head Office personnel to provide targeted support to teachers where required.

In the first year of implementation, five key teaching strategies have been prioritised through Thematic Lesson Plans (TLPs) and Daily Lesson Plans (DLPs). These strategies include: 5-Step Model for introducing new letters/words/numbers/حرف یا لفظ; Pair work; Group work; Pair reading; Group reading.

The continued cooperation of Business Partners and School Heads is essential to ensure the ongoing success of the TE-EYF framework.

TECH VALLEY

GOOGLE CAREER CERTIFICATES

At 'THE EDUCATORS' we are committed to the professional development of our employees at Head Office and Regional Offices, enhancing their skills and expertise in digital competencies. In partnership with Tech Valley, we provided access to Google Career Certificates, an online training programme offering professional certificates in fast-growing, high-demand technology fields. We extend our sincere gratitude to Tech Valley for offering a free Scholarship Programme to our employees, enabling them to excel in their professional fields.

BECOME A GOOGLE CERTIFIED EDUCATOR - L1

'THE EDUCATORS' and Tech Valley in partnership are excited to offer Google L1 Certification to teachers enrolled for Digital Safar Programme. This certification is aimed at educators who want to enhance their practical application of the Google for Education tools and demonstrate proficiency in using them in the classroom. A 03 hour face-to-face Level 1 Fundamentals Training Course is designed to teach strategies for integrating Google into instructional practice followed by Online Mock Exams (I-III) and Final Certification Online Exam.

PROJECT AGHAZ - A CATALYST OF EDUCATIONAL DEVELOPMENT

'THE EDUCATORS', in collaboration with Tech Valley Pakistan, Google for Education, the Ministry of Federal Education and Professional Training, and the National University of Sciences & Technology (NUST), as a consortium unveiled Aghaaz, a Catalyst for Educational Development at 'THE EDUCATORS' Capital Campus G-11 Islamabad in Grade VII on 23rd January 2024. The aim of this project was to embrace technology to inspire curiosity, creativity and reshaping the landscape of learning. The project marked a significant milestone and provided a fertile ground for digital transformation and scaling up of the classrooms powered by Google Tools for Education.

Aghaaz elevated education to new heights by equipping educators with personalised training, ensuring they harness the full potential of Chromebooks and Google tools while prioritising responsible technology use. From virtual assignments on Google Classroom to real-time collaboration on Google Docs, Google Slides, Jamboard and other tools, our students now have cutting-edge technology to enrich their learning experience.

We extend our sincere gratitude to Tech Valley for piloting Project Aghaaz in 'THE EDUCATORS' and highlighting it at the international level. Aghaaz has redefined education in Pakistan, setting a benchmark for future initiatives integrating technology responsibly to create a brighter learning experience for all.

‘THE EDUCATORS’ is fully dedicated to shaping the future of technology in education by empowering students to be digitally savvy and ethical citizens ready for today's digital world. ‘THE EDUCATORS’ has joined hands with Tech Valley, a recognised Google for Education partner in Pakistan, on 24th July 2024.

We are extremely thrilled to unveil "Digital Safar - Empowering Young Minds for a Safer Digital Future" that aims to foster a generation of responsible digital citizens adept at safely navigating the online realm and leveraging technology positively.

Mr. Ali Raza, Group Director Beaconhouse, Ms. Tayyiba Fayyaz, Assistant Manager Academics, Mr. Umar Farooq, CEO Tech Valley and Ms. Najam-us-Sahar, Program Manager Tech Valley, were present at the MOU Signing.

This initiative was implemented in August 2024 in Grades VI-VIII across Pakistan in ‘THE EDUCATORS’ Schools dedicated as a Digital Safar Week merging Google’s flagship programs, **CS First** and **Be Internet Awesome**, to provide comprehensive learning experiences in programming, online safety, and responsible online conduct.

250+ campuses have participated in Digital Safar programme in which 260+ teachers and around 10,000 students were equipped with essential digital skills, including online safety and basic coding.

DIGITAL SAFAR MOU SIGNING

GAMIFICATION - ENHANCING LEARNING AND ENGAGING MINDS

A 05-hour face-to-face training programme is designed for the teachers of Primary and Middle School (III-VIII) to enhance engagement, motivation, and learning outcomes by integrating game elements and principles into a non-game context, such as educational activities.

Gamification harnesses the psychological elements that make educational activities enjoyable by creating a healthy competition, developing a feeling of accomplishment, gaining rewards, and a sense of progression, to motivate learners to actively engage and learn. The training is now a part of MAXIMIZE Programme.

‘THE EDUCATORS’ and Beaconhouse School System proudly launched QUIZILLAPRO for Secondary Level on 5th January 2024 at the Head Office, Lahore.

QUIZILLAPRO is a comprehensive educational platform developed to simplify and enrich the teaching process. It combines innovative features to streamline question paper generation, allowing educators to focus on what matters most – providing a high-quality learning experience.

VERSION 1.0:

QUIZILLAPRO was launched for Punjab and Sindh Board offering English, Mathematics, Physics, Chemistry and Biology. 262 campuses are registered on QUIZILLAPRO and have generated 2,500+ papers to evaluate students’ academic performance.

VERSION 1.1:

‘THE EDUCATORS’ is thrilled to launch QUIZILLAPRO for Secondary Schools in KPK and Federal Board (Grade IX) this year and for the remaining subjects of Punjab and Sindh Board.

VERSION 1.2:

At ‘THE EDUCATORS’, we prioritise delivering quality learning experiences for students. Serving as an evaluation tool, QUIZILLAPRO will now be a Quiz App for students to generate and submit quizzes online enabling to evaluate their learning experience and prepare for the upcoming Secondary Board Examinations.

MOU SIGNING - INNOVATIVE & INVENTIVE LEARNING

On 31st July 2024, ‘THE EDUCATORS’ and Innovative Learning proudly announced the signing of a Memorandum of Understanding (MOU) to collaboratively advance the International Kangaroo Competitions in ‘THE EDUCATORS’ Schools across Pakistan. This strategic partnership aims to enhance the academic landscape by providing students with greater opportunities to showcase their talents on an international level.

Mr. Ali Raza, Group Director Beaconhouse, and Ms. Amina Valiantsina Mamayeva, Chief Executive Officer of Innovative Learning formally endorsed the agreement in the presence of esteemed Mr. Khalid Rasul Awan, Chief Operating Officer of Innovative & Inventive Learning, Mr. Ali Butt, Head of Operations and Business Development, Ms. Fauzia Adnan, Head of Academics, and Ms. Tayyiba Fayyaz, Assistant Manager.

INTERNATIONAL KANGAROO MATHEMATICS COMPETITION (IKMC)

‘THE EDUCATORS’ always aim to provide quality learning experience to students by providing them opportunities to showcase their talent at National and International level. In collaboration with Innovative Learning, certified member of Editura Sigma and Association Kangourou Sans Frontières (AKSF), International Kangaroo Mathematics Competition (IKMC) was held across Pakistan on 21st March 2024 in which 1,650+ students participated. We are thrilled to share that our students have attained outstanding results in IKMC 2024 by winning:

| Gold Medal | Silver Medal | Bronze Medal | 3 Star Badge | 2 Star Badge | 3 Star Badge |
|------------|--------------|--------------|--------------|--------------|--------------|

Post Contract Consultancy Brief (PCCB)

‘THE EDUCATORS’ is thrilled to announce a bold new vision for our campuses: Our new Post Contract Consultancy Brief (PCCB). This ground-breaking initiative will elevate our schools to new heights by creating a unified, inspiring, and efficient learning environment for everyone. Imagine a world where every ‘THE EDUCATORS’ school is a beacon of excellence, with modern facilities, captivating designs, and a strong, recognisable brand. That’s our vision. With the PCCB, we are creating clear guidelines for infrastructure, classrooms, and overall aesthetics to ensure consistency and quality across all our campuses. The result? A stronger ‘THE EDUCATORS’ brand, a more engaging learning experience, and a thriving sense of community. We are committed to providing every student with the best possible education in a stimulating and supportive environment. Join us in shaping the future of education.

School Management Manual (SMM)

‘THE EDUCATORS’ School Management Manual constitutes an indispensable framework for the efficient and effective administration of schools. This comprehensive document serves as a foundational reference for ensuring uniformity, quality, and excellence across all campuses. Encompassing a broad spectrum of topics, including curriculum implementation, personnel management, student enrolment, financial stewardship, and facilities upkeep, the manual provides detailed protocols and best practices. By adhering to the guidelines outlined within, school leaders and administrators can align their operations with ‘THE EDUCATORS’ core values and educational philosophy. The manual’s structure facilitates both daily operations and long-term strategic planning, fostering a holistic approach to school management. The manual underscores the imperative of continuous improvement and innovation within the educational landscape. It encourages school leaders to embrace cutting-edge pedagogical approaches, leverage technology, and engage actively with the community to optimise student outcomes.

Empowering Teachers for Transformative Education

A CONFERENCE FOR HOLISTIC GROWTH

‘THE EDUCATORS’, a Project of Beaconhouse, continued its legacy of excellence in education by hosting the inaugural edition of ‘THE EDUCATORS’ Conference (TEC-1) in Lahore on 7th October 2023. This ground-breaking event, tailored for educators, school leaders, and change-makers in Pakistan, provided an enlightening platform with the aim of sharing knowledge, supporting innovation, and shaping the future of education.

The conference was sponsored by Tech Valley Pakistan, Albakio International, AZ International Publishing House, and Qarshi Industries (Pvt) Ltd.

At TEC-1, attendees participated in a variety of breakout sessions, delving into diverse teaching techniques and concepts designed to empower educators as facilitators of knowledge and active learning proponents. The conference placed a strong emphasis on emotional well-being, resilience, and social skills, recognising the pivotal role these elements play in the lifelong success of students. In addition, TEC-1 addressed the importance of mindful leadership, authentic connections, and practical strategies for achieving work-life balance and personal fulfilment.

Head of Academics ‘THE EDUCATORS’, opened the conference with a welcome address, followed by the Chief Guest’s note delivered by Dr. Moeed Yusuf, Vice Chancellor Beaconhouse National University, and keynote speaker, Dr. Prof Amra Raza, Director Institute of English Studies and Dean Faculty of Arts and Humanities.

TEC-1 hosted a thought-provoking panel discussion on ‘The Changing Landscape of Education’ with distinguished panellists, Mr. Ali Ahmad Khan, Chief Operating Officer Beaconhouse School System, Mr. Ali Raza, Group Director Beaconhouse, Mrs. Fareeha Ahmad, Director Education Development Beaconhouse School System, and Mrs. Afshan Khalid, Deputy Director School Evaluation Beaconhouse School System. Ms. Kanwal Babar Malik, Deputy General Manager Education Operations Beaconhouse School System, moderated the discussion as the panel explored topics such as personalised, digital, and accessible learning experiences, adaptive learning powered by artificial intelligence and machine learning, and the importance of project-based and experiential learning.

TEC-1 provided a collaborative platform for professional growth and the development of student-centred classrooms. Participants left with a renewed sense of purpose, innovative teaching strategies, and a supportive network of peers and mentors.

Mr. Salman, has broad vision to provide quality education to the students. His rational approach towards professional development of the teachers and modern audio-visual aid for young generation is admirable.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

AKHWAT JUGNUU AND HUMAIRA RIAZ SCHOOLS - ROC ACADEMICS

In continuation of our Group Director Mr. Ali Raza's vision for Corporate Social Responsibility, ROC Academics has partnered with Akhuwat Jugnuu School and Humaira Riaz Non Profit School. Teachers from both organisations attended multiple trainings offered by ROC Academics. The teachers shared their amazing experiences and were grateful to 'THE EDUCATORS' for provision of free trainings. This will enhance the quality of teaching and learning at their schools.

PEHLI KIRAN SCHOOLS - RON ACADEMICS

This year we partnered with Pehli Kiran Schools (PKS) to professionally develop their school leadership and teachers. 'THE EDUCATORS' North Region conducted a training need analysis at the schools, and designed and delivered exclusive training sessions to more than a 100 teachers and school leadership.

These training sessions enhanced participants' overall confidence to teach while learning new teaching methodologies and phonics for early years.

Aghaaz School - ROS Academics

'THE EDUCATORS' South collaborated with the Pakistan Youth Forum Welfare Trust and had the privilege of conducting a comprehensive need analysis at Aghaaz School working under the trust. This initiative is aimed at understanding the specific educational needs of students and identifying areas where we can offer support and enhancement.

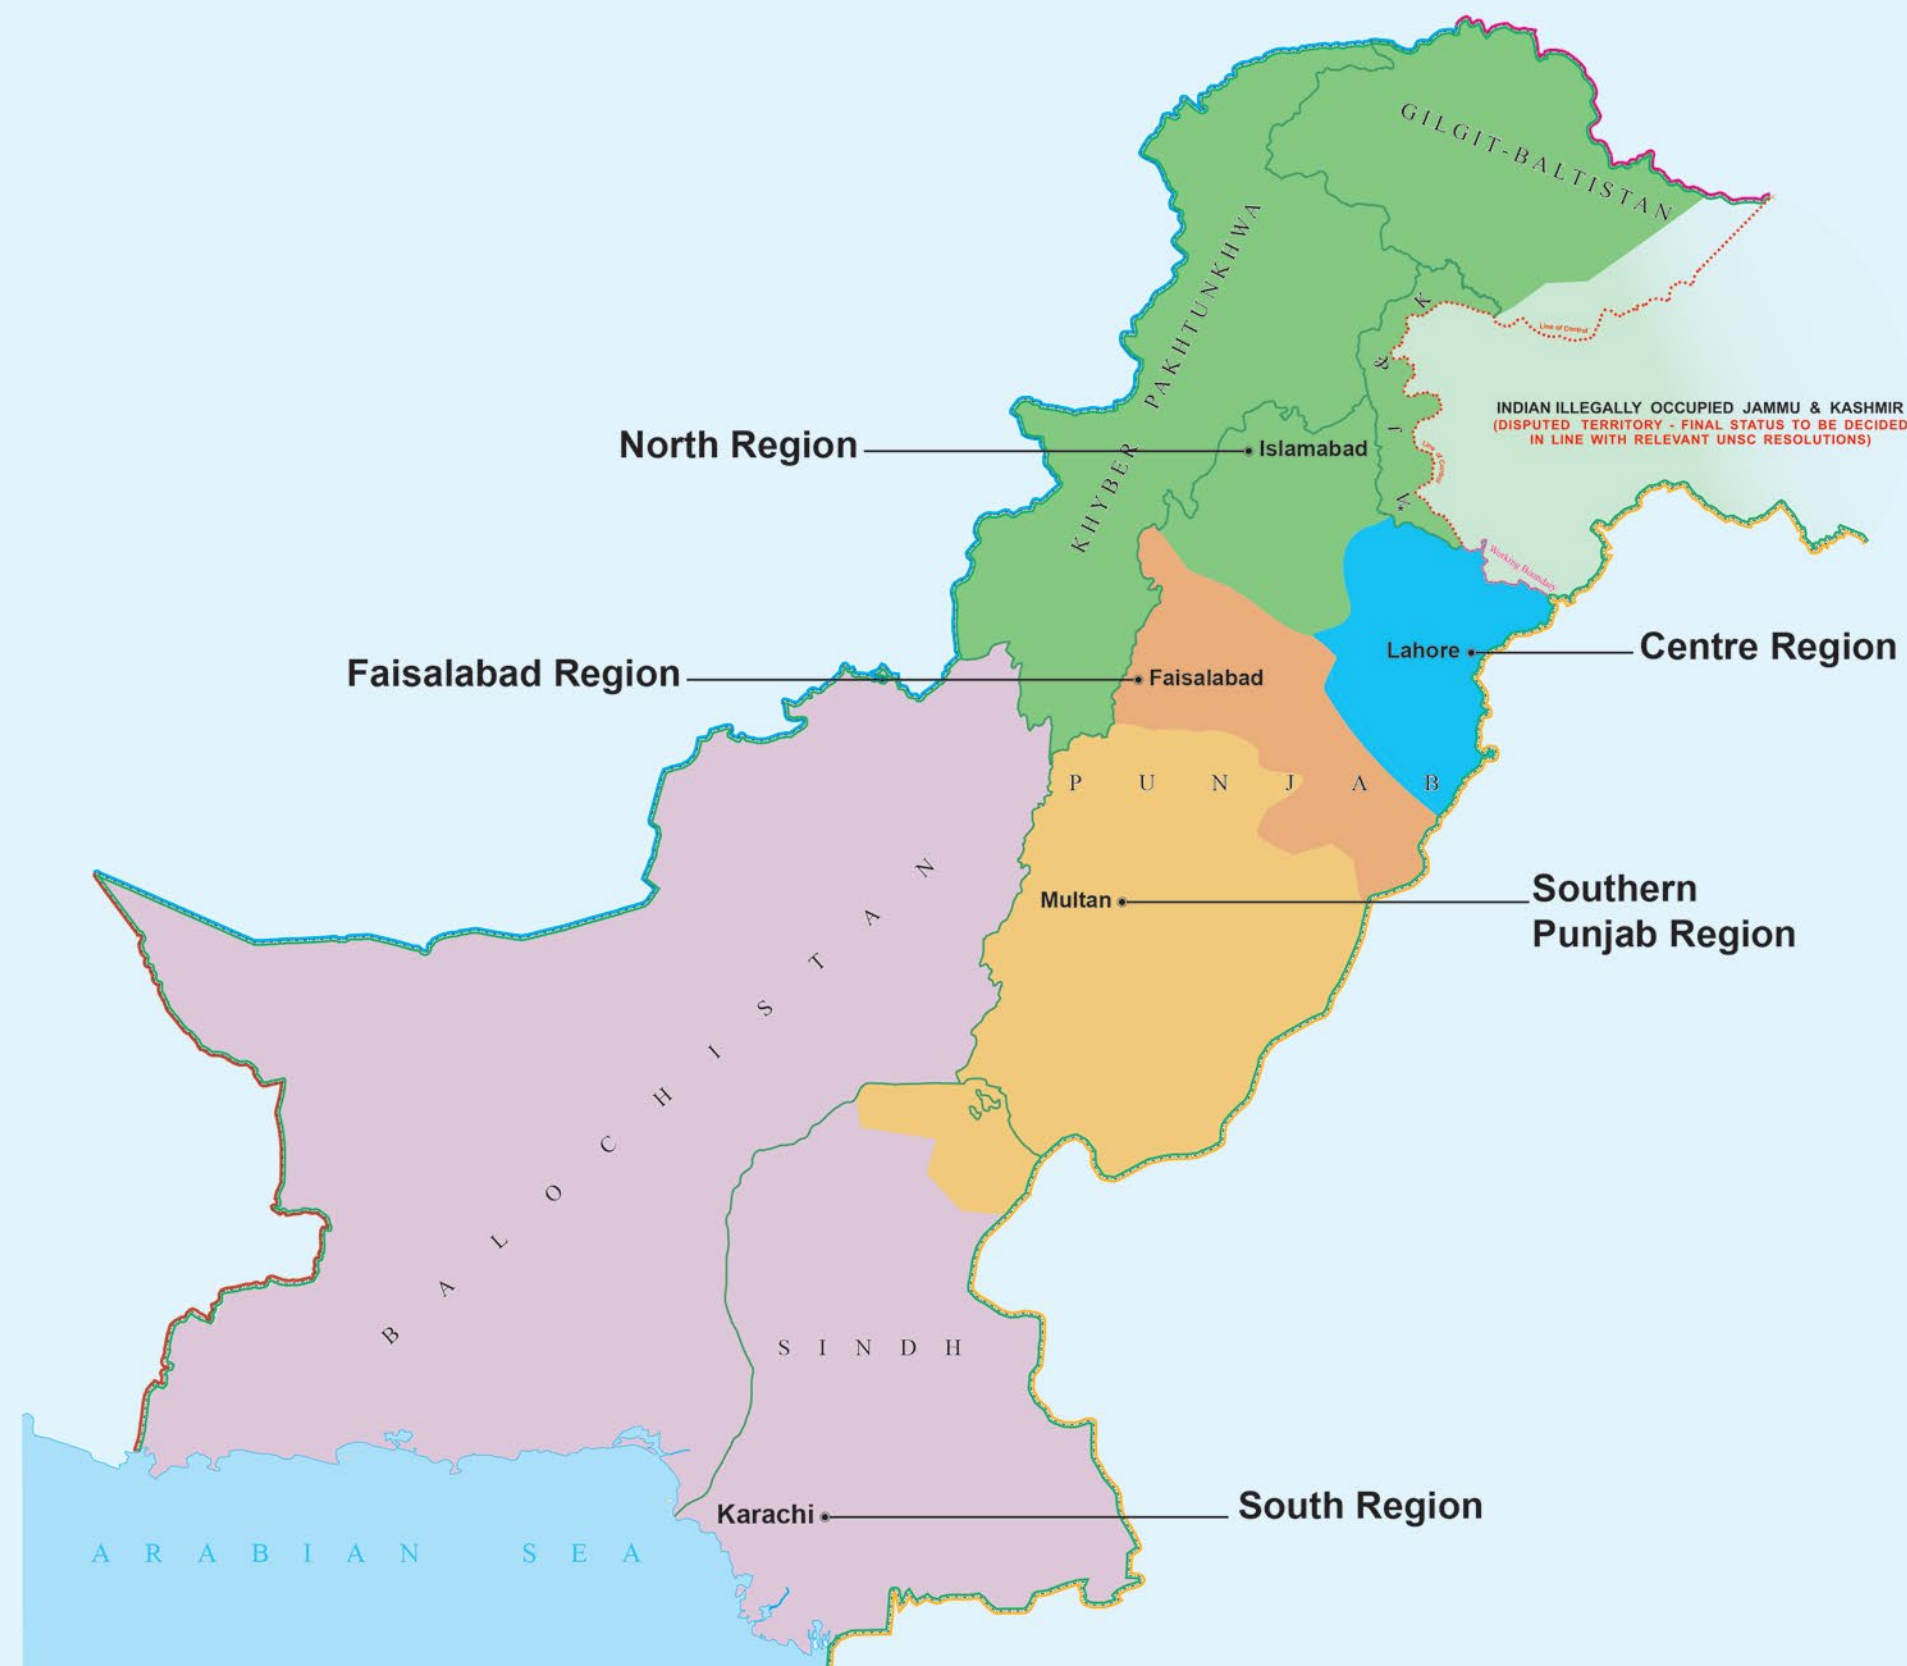

This collaboration underscores our commitment to fostering educational excellence and empowering students for future success. We are grateful for the warm welcome and cooperation extended by the management of The Aghaaz School throughout this process.

Together, we look forward to making a meaningful impact on the educational journey of these students.
